The Montgomery Selectboard will be hosting a Public Meeting *Wednesday March 13th 2024 at 6:30pm* at the Town Hall/Grange to provide progress updates and address concerns raised at prior forums on the project. Members from both our engineering and legal teams will be available at that time to answer questions. We also anticipate making time later this winter/spring for individual one-on-one conversations with any interested landowners.

Folks are encouraged to attend in person, or via Zoom at the link above (*note: link will also be available on the Town Website*). For those who are unable to attend, the meeting will be recorded and posted on the Municipal Website later that week for review.
