**MONTGOMERY CENTER
MUNICIPAL WASTEWATER SYSTEM ENGINEERING “OFFICE HOURS”**

Tuesday March 26th and Tuesday April 2nd 2:30-7:30pm
Town Office/Public Safety Building Conference Room
Or join remotely (below)

The Town has scheduled two upcoming opportunities for individual landowners in the Montgomery Center Wastewater Service Area to meet with the Engineering Team to review any questions or concerns regarding your parcel. During these “Office Hours” the current draft of engineering plans will be available for review in the hope that we can flag or address any questions or potential concerns you may have regarding project infrastructure and system hook-ups. *Intersected in where the pipes will go? Have a rose bush your concerned may be in the way? Is your existing septic tank under your driveway? Just curious what this will all look like?* We want to talk!

Office hours will be held on **Tuesday March 26th and Tuesday April 2nd from 2:30-7:30pm at the Town Office/Public Safety Building Conference Room. *No need to make an appointment, just show up during this timeframe.*** Can’t make it in person? Join remotely using one of the Teams links below. Can’t make either of these dates but still have questions you’d like addressed? Reach out and let us know at montgomeryselectboard.charlie@gmail.com so we can set something up.

Tuesday March 26th
