

## **LOIS WITH THE MONTGOMERYNEWS, JUNE 16, 2024**

**6/9.. Linda & Merle Van Gieson got caught in one of the worse Thunder, lightning & hail storm on their way home. We did not get any hail here in the Village just the thunder shower. There have been quite a few storms reported around the state, trees down and power outages. This week we are in for some HOT temps, luckily we have lots of maple trees to shade us.**

**6/11..The 500 card Club met at the lovely home of Marge Cummings, she had prepared snacks, and cold drinks for the afternoon for everyone to help themselves. She also had taken a picture of a large bear at her home just a few minutes before the ladies arrived to play cards. Linda Van Gieson had high score 3300; second high was Anita Woodward 2830; low score was Connie McFarland 1820; 5 horses Marge C. Stacey's Gregoire played in the absence of Debbie Chauvin. Carmen Scott will host the July Card Club at her home.**

**6/13..We had a very exciting start to our Thursday morning, a young bear came into our yard and went down the back yards of our neighbors across the street. It was so cute, furry and just all alone. There have been many sighting of bear this year so far. The picture someone sent in on the News recently of the bear swinging in the hammock was enjoying himself while its companion looked on.**

**Gila Domina has enjoyed visits from her Family Jim and Ruth Smith, son Dexter and friend David McCormick this week.**
