

**LOIS WITH THE MONTGOMERY NEWS, 8/11/24**

**8/10..CONGRATULATIONS TO ELLE P. ST.PIERRE. WE ARE ALL SO VERY PROUD OF YOUR ACCOMPLISHMENTS, YOU ARE OUR GOLGEN GIRL, AN WE LOVE YOU. BEST WISHES ALWAYS TO YOU AND YOUR LOVELY FAMILY. GOD BLESS !!!**

**8/11..It's going on 2 o'clock, will get started on my news. Penny and I went to Berkshire and picked up some freshly grilled BBQ Chicken for our lunch, it was so delicious so nicely done and so tender. As we were leaving our friends from Montgomery were just getting there to pick up a meal. Then after our meal we decided to go outside and enjoy the fresh air as there was a nice breeze coming up and later was bringing in some rain. Tonight is the Candle-light Vigil being held in Memory of my sister-in-law Roberta Martin at 7 p.m. on Taylor Park in Enosburg. There is a nice program planned for this event.**

**8/11..Our Church Service was prepared and officiated by John Gorton, bringing us his message entitled "The Power and Responsibility of Prayer." John likes introducing us to new Hymns and today he had our Opening Prayer with Music added. I especially liked the adding of music. Thanks to our wonderful organist Patrick Evans for coming each Sunday to play our Organ for us.**

**This week there have been visitors here in town, enjoying our beautiful Covered Bridges, and one family from the Netherlands was walking up and met me as I was just taking off with my 6 gallons of water tucked in the stroller to go and water the plants in the barrels.**

**The first words were Hello and the school bus was the attraction, does your husband drive the school bus and I said No my daughter does the driving. Penny was in the yard and heard us talking, and they took up a conversation with Penny as I went on to water the plants. Upon returning they were still here in the yard with Penny, she gave them a tour and talked about different ways of schooling, etc. He said the kids either walk to school or ride their bikes in a special path for the kids. Penny found them very interesting and loved their accents. The bus has taken over being a talk of the town as it used to be the style of my house being so historic/gothic style.**

**Klaus Voos stopped by this week to tell me he was leaving Montgomery, he has sold his beautiful home on Route 58, will go back to Germany to be near his son and sister. He has been lonely since losing his wife Ann a few years ago. The new family moving in, own a dog and Chloe the cat is going to stay with the new family and Klaus was concerned about the cat and dog. I said do not worry about Chloe she can take care of herself as she goes outside up where she has lived for a few years with all kinds of wild animals,around and she comes and**

goes as she pleases. She is a smart little cat though she rings the bell at the door to go outside and then they have one on the outside to ring to come in. We have taken care of her here for Klaus when he had to be away. She is a survivor, she will be okay.
