What does this mean for me as a registered Montgomery Voter?

The Secretary of State Elections Division will automatically mail ballots to all active registered voters for every General Election on behalf of each Town/City in Vermont [[17 V.S.A. § 2537a](#)]. This means you do not need to request an absentee ballot for November. The State will begin sending ballots on September 23rd and complete the mailings on or by October 1st. You will be provided with the Official Ballot, a Certificate envelope, and a pre-addressed return envelope. This process, also known as Early/Absentee voting, allows you to vote from the comfort of your own home prior to Election Day. There are several ways for you (or someone on your behalf) to return your absentee ballot prior to election day: via USPS mail, in person at the Town Office, via our Town Office Drop-box. Or return it to an Election Official at the polls on Election Day up until 7:00pm.

Frequently Asked Questions:

Can I still vote in person?

YES. While it is a requirement for the State to mail out General Election ballots it does not mean that you *must* participate early. You may still show up to the polls on November 5th to cast your ballot in the box yourself if that is your preferred method of voting. **IF you decide to vote in person, PLEASE BRING THE BALLOT THAT WAS MAILED TO YOU to the polls** {this saves us all time & paper}. If you forget/lose/never receive your ballot you will be required to sign the 'Affidavit of Lost ballot/no ballot cast' before receiving a new ballot.
