

## LOIS WITH THE MONTGOMERY NEWS, NOVEMBER 17, 2024

11/12..The 500 Card Club met at the lovely home of Anita Woodward, greeted with a little light snow that fell Tuesday morning, the hill tops were covered with snow. The ladies all met at noon time and Anita had prepared many refreshments to snack on during the afternoon, and cold drinks. Anita and Nancy Martinson were at the head table all afternoon, even though they got to play with others as we came to the table, they remained partners. When it was time to total up our scores, Anita and Nancy won the whole pot, they had the first & second highest score of 2680, and 6 horses. It seemed like we were all disappointed by getting such bad hands, as the 6 bid seemed to be the best bid, even for Anita and Nancy. Low score went to Carmen Scott 1270. Lois Lumbra was sub for Sue Wilson. Thanks so very much to Anita for having everyone at her home. She and Larry have many kinds of wild birds come to their feeders and they enjoy seeing them.

11/14, Kathy and Howard King had Company come for deer hunting open day weekend. Carlton Kaherl & son Jason from Maine, and Friday night 11/15, there were 18 members of the Tetreault Family here for supper. They were Gary Sr. from Montgomery, his son's Gary Jr. and Kyle Tetreault from Florida. Napoleon Tetreault Jr. & son's Jacob Garrow & Napoleon III and Napoleon & son's Ben & Luke Tetreault from Conn. Alvey Blier Jr. and son's Evan & Alvey III Blier from Conn. Brian Blier & son Josh from Conn.& Rickey Severino from Conn. Then 11/17 everyone of us went to Bernie's for Breakfast and to say our Good Byes until another year comes our way.

11/14.. Today was the Thanksgiving meal prepared at the Dairy Center for everyone to come for a turkey dinner and all its wonderful fixings and dessert. I went early in the morning with my friend Sue Peters and was back in time for the dinner to meet with my Niece Melissa Tice for a nice visit, then she drove me home. My daughter Veronica was coming into town on business and wanted to come by for a visit and that all went well, even got my hair trimmed.

11/16.The first day of the rifle deer hunting season began, did not see any go by on any vehicle though while I was outside in the afternoon. It was so nice out but most of the afternoons are, just cold mornings. I talked with my Nephew Steve Courville as he and Sue arrived at their new home in Hickory, North Carolina, they just LOVE it, they are much warmer down there than we are up north, just what they were looking forward to. Sounds good to me also,our weather is so weird, cold warm,cold warm, can't seem to make up its mind.

11/17..Our Church service was prepared and officiated by John Gorton, he was feeling much better, said he had a sore throat that lingered on. His sermon was entitled " Do Not Be Alarmed." We had a visitor come to Church with Kathy King, Carlton Kaherl from Maine, he and our organist Patrick Evans, and John Gorton welcomed him, and had a nice visit. Our hunter from town Frank Elkins came home today with his prize deer, a 13 pointer,weighed 199 lbs. dressed. Congratulations Frank!!!

\*\* When I got to church this morning there were two Hannafords bags filled with canned food and a new pan and oven mitts. Once back home I called Tiffany to let her know there were bags of goodies they could use, she came right down and then told me they were getting Thanksgiving baskets ready for families in need. Right now there are several needs in the area, the children at the Elementary School are collecting pennies for their fundraiser "Penny Palooza" and will go to support their Holiday Giving Program. If you know someone in need PLEASE let the Principal Sandy Alexander know at the school. ASAP.

\*\*What do you get if you cross a turkey with an octopus? Enough drumsticks for a large family.\*\*  
What do you call a turkey the day after Thanksgiving? LUCKY. \*\*\*What do you expect at the end of Thanksgiving? The letter G. That's all for this week. Love to all..

It is a nice sunny afternoon and I should go out and enjoy some of it, so will go and do just that. I went out for half an hour and visited with neighbor Gila for a few minutes, then went across the street where all the excitement is, men stopping by to look at the trophy buck, Frank has on his truck out front. But he had to go as his son Todd was here to help him hang it up. Congratulations to Frank!!
