5/17. Saturday shortly after 10:30 a thunder shower was heard in the distance..it came in bringing rain rain rain..the forecast for this week is rain nearly every day. The Thunder shower went on and on for hours, not necessarily close but close enough for me. Penny said she enjoys watching the lightning..it's so beautiful, as she thinks snakes are also.

5/18.. It's Sunday..I went down at 7:20 to do things I usually do Saturday afternoon but the Showers were going on and on. I decided to go down early Sunday morning as we were having a meeting at 8 a.m. Merle had scheduled a Trustee Meeting. John Gorton came to Officiate our morning Church service, entitled his

Sermon, "New Commandment-Love One Another,". And we do, our little Church Family is all about Love for each other, we are all willing to help each other. God Bless each and every one of us. I think we all have our opinions about LOVE, Love is liking someone special, something special like our animal, food, clothing; kindness from someone, caring, sharing and most of all God wants us to LOVE one another as he LOVES us. The word God is LOVE.

Happy Birthday to: Ashley Cota, Flyn Paradee 5/23; George Locker 5/31.

Anniversary wishes to>. Mark and Wendy Brouillett 5/30.

1. A graduation ceremony is an event where the commencement speaker tells hundreds of students dressed in identical caps and gowns that individuality, is the key to success. 2. The tassel is worth the hassle. 3. The Lord gave us two ends: one to sit on and the other to think with, Success depends on which one we use the most. 4. Congratulations to all Our College Graduates, Best of Luck in Your Future. \*\*\* Your life will take on a new meaning, getting up early to go to work, caring for your home,

all new duties will arise for you. Best wishes to You and God Bless .  to you All.
