6/15. Happy Father's Day to all our wonderful fun loving Dad's. It sure has been a wonderful sunny nice day for picnics or just to be outside, the sun has been so nice and warm. My house felt so cool to me, I went out side to warm up. Our Church seemed fuller than usual, as Merle and Linda Van Gieson have been attending their moving sale and their son Wayne and his wife Terry have been here helping out, they all came to Church today to help celebrate Father's Day. Just to have something different I had lighted candles placed in a glass cup to honor each of our Father's, and Our Father in Heaven has one big candle, as they are all special. John Gorton prepared and came to officiate the service entitled his sermon "Three Is One." Today being Trinity Sunday; 1 God the Father, 2 God the Son (Jesus Christ) and 3 God the Holy Spirit. Patrick opened our service playing Hymn "This Is My Father's World; while the altar candles were being lighted. It was a wonderful service with amazing Hymns for all to enjoy. Thanks John and Patrick.

Saturday while sitting out on my front porch, a young couple came up the sidewalk to my house and said Hello to me. I did not remember them as they were much younger when they left town. To my surprise it was Cordy Von Conta's step son..Peter and his wife Sara they were up for the weekend from Mass. and were meeting up with their step brother Hans Gruenig. Hans had his Mother put into a Senior Care Facility closer to his home in Louisiana.. Hans sent me pictures of his Mom and I made copies and took them to Church with me today so I shared them with the congregation. Cordy you were with us today. We all love you and hope you are enjoying your new environment. God Bless You Always...

June 10th, The 500 Card Club met at the lovely home of Carmen Scott, where members gathered for noon time, have an early snack then get to playing cards. Carmen had prepared wonderful refreshments and treats for the afternoon, everyone help themselves. There were three subs this month, Brent Godin playing for Sue Cherrier, Kathy Ross playing for Linda Van Gieson, Lois Lumbra playing for Deborah Chauvin. Ending scores Anita Woodward had high 3810; second high was Brent with 3390; these two were partners most the afternoon at the head table; most horses with 4 each was Marge Cummings and Connie McFarland they shared the pot, low score was Kathy Ross with 940. We were all in, out of the rain showers that were around in between the sun peeking out now and then. When we came home the sky off toward the West sky was black and I believe that was when the tornado in N.Y. Was taking place.
