

LOIS WITH THE MONTGOMERY NEWS, JUNE 22, 2025

Monday, 6//16 Parma Jewett held her monthly Senior Citizens dinner at the Town Conference Room, where several people from Town have signed up to attend. Parma had prepared Baked Beans, homemade hot dog rolls which were filled with fried hot dogs, and she had a homemade cake for dessert..topped with fresh raspberries. No one went away hungry, it was all so delicious. (All the local Schools were let out for their summer vacation today.)

During the beginning of the week, I had a phone call from Jean Jewett from Enosburg, as it is getting near time for strawberry picking in Canada. For the past several years I take orders for her, and she delivers them at my home, and my friends come here to pick them up. I had orders for 6 flats each containing 8 quarts of berries, delivered on Thursday afternoon.

This is Thursday 6/19 and Lise Gates at the Dairy Center has her monthly dinner. There were several people that came to enjoy the dinner that was prepared for us of potato salad, broccoli salad, pasta salad, rolls, BBQ chicken and ice cream for dessert. There are several people from town that go early and enjoy the Country music, some dance and others visit, BUT many enjoy the T-Cup items that are brought in. My Niece Melissa comes to enjoy some time with me.

On Friday I accompanied Sue Peters to Colchester she had to,pick up special medicine at Costco's for her doggy Zeus. We ate at Burger King and from there we came home, but we both needed milk and stopped in at Hannafords to get some. Then Saturday I had a call from Champlain Monuments had a small job up at the cemetery to take care of..got that taken care of and back home for the day. Later in the afternoon I received a call from Doris Williams that she would be leaving her sister's home on Mountain Road 242 and return to her new apartment in Mass. She and her sister Lois Babbitt have enjoyed going out shopping and eating at different places such as Newport. St. Albans and Lowell. We always have a wonderful day out.

6/22..It's Sunday and it's Church day to go and see all our Faithful Friends. BUT it was different today as our organist had other plans in Maine and therefore NO music. BUT John Gorton got us through it all, he and Merle both plan and prepare the Service, message entitled "Now That Faith Has Come." John explained in the last several months we have prepared for the birth of Jesus, Lent a period of penitence in preparation of Easter, Easter..the celebration of the resurrection of Jesus, and Pentecost the coming of the Holy Spirit 50 days after Easter, and the most recent Trinity Sunday ..God the Father, God the Son and God the Holy Spirit. A time of strengthening Our Faith through all these Christian events. John led all the Hymns today and did a marvelous job for us. He mentioned it is much better with Patrick playing for us. We all hope he had a very enjoyable day with his Family, as he has been so loyal to us here at the Montgomery United Methodist Church, he does not take many Sundays off. Thanks Patrick and John.

Never know what will take me away from doing my News..but this makes news also, my neighbor down the street came and knocked on my door as he had a person from N.H. Looking for someone that remembered Arthur and Margaret St. Onge that had a garage down town. Yes, I remember them, and Arthur and Lorraine lived neighbors to me, and I worked as a PMR for Lorraine at the Post Office. As I sit here writing to finish this, Artie and his Daughter Brook and her son Lane Boissonneault are in the yard talking with Louis , Randy and his two sons Thomas and Alex are here meeting relatives of theirs.. like a St.Onge reunion. Thankfully it is not raining. But it was nice for the families to meet and visit. It just has been a few years seeing everyone.
