

Lois WITH THE MONTGOMERY NEWS, AUGUST 17, 2025

Just coming on to finish the News..the time 3:16..reminded me of John 3:16...FOR GOD Loved the world so much that He gave His only son, so that everyone who believes in Him may not die, but have eternal life. My wake up time is 6:24..a very popular time and date..It was Sonny's Birth..date.

Tuesday, The 500 Card Club met at the lovely home of Sue Cherrier on the Gibou Road, in Montgomery Center. There were no subs. Sue had prepared an abundance of delicious snacks and cool drinks to enjoy for the afternoon. It was one of those HOT afternoons..but Sue had it nice and cool inside. The ending results of playing..Anita Woodward had high score 2960; second high was Theresa Begnoche 2820; Connie McFarland had low 1630; most horses was a high card draw between. Nancy Martinson and Sue Cherrier....Sue won. Carmen Scott had a friend sitting with her during the game, wanting to know how to play. It was a very enjoyable afternoon, lots of fun and laughter from everyone. The next meeting will be hosted by Kathy Ross, she is now full time filling in for Linda Van Gieson.

On August 15, my niece Barbara Corse Tremblay called to invite me and Penny to come down Friday as she was having a little get together at her home, as Bertie and Husband Tony Leonardi were in Vermont from No. Carolina. To visit family they have not seen in years..Bertie is my sister Thelma Burnor's daughter, also Ardelle's daughter Rhoda Jane would be coming also, from Williston. Yes, it has been a long time since seeing the girls..My Nieces..there were 6 that come by, Rodney's daughters all live quite by each other and they came 4 of them. Bertie and Rhoda Jane had not met my daughter Penny..and that was a wonderful meeting. Barbara and hubby Robert got pizza's that were so delicious, and Barbara had cookies and another sweet dessert with fresh fruits on top. All was so nicely done, had a beautiful sunny day to enjoy it all. No clouds in the sky.

Nana K. King and Hubby Howard King enjoyed a Thanksgiving Dinner with Family coming up early from Walcott, Ct. On August 15, 2025. Kathy's daughter Leslie Gamelin, Granddaughter's Devon and Danielle Gamelin; Grandson Matt Coppola; Great Granddaughter's Carter Gamelin and Candence Coppola. Celebrated their Thanksgiving Holiday before the snow comes and they can't make it. What an amazing time was enjoyed, sharing their Thanks with so much Love. 8/17..Today, Kathy's daughter Lori Young, and hubby Ken Young from Plymouth, Ct. We're here for a visit and

Surprise they came to Church with Mom...bringing along their Friends Michael and Karen Papke visiting from Florida. They came out on the Village Park after Church and there I greeted them and had a visit with them. As Lori's father was from Fletcher and I knew the Rusford Family, they just had a burial for him at the Binghamville Cemetery. I knew him as Buzzy...and so many of us went to Hillside back then to dances. I went by the property the other day and all the buildings are gone. Mrs. Jacob's owned it and was the operator of the roller skating and dance hall. A wonderful respected place of going out.

Our Church Service was planned and officiated by. John Gorton today, John had not been feeling well this week, just so many things to do, no time for rest, so he just keeps going like the John Deere tractors..do they ever run out of GAS? Must be something in the name of John. His sermon was entitled "For The Sake Of Joy."

Merle and Linda help by making the copies of the bulletins. They are enjoying their new place in Swanton. It will take some time, just not coming down those Hills..will be the best for Merle not coming through the Spring Mud.
