

## **LOIS WITH THE MONTGOMERY NEWS, SEPTEMBER 7, 2025**

Here we are already through the first week of a new month, schools have started their 2025-2026 season. It's beginning to look and feel like Fall. The air has a coolness to it and the leaves are turning their Fall colors. I am typing for the second time the News I had almost done, and it went off the screen like the power had been turned off. I waited for Penny to come home, and she could not find it, as I had tried. It's so weird. Anyhow it's so disappointing.

This week I have been sticking to home pretty much, had three trips to Enosburg with different friends on different days. Then I have spent a few hours for two days cutting down my Hosta's as they were leaning over from lack of water, put them out of their misery. I have watered the flower barrels this summer, I fill a bucket with water and stroll around and water each barrel.. (yes, I use a baby stroller)

Saturday, September 6, Veronica and Andre de Saint Phalle, planned a family party to be held at Lake Eden, welcoming Grandson Jayden Royer home from England where he has been serving in the Air Force. In attendance were Jayden's Grandmother Heidi Royer, Aunt Bethany, Dad Loren, Mother Samantha, Jayden's brother Shane and sister Natalie: Great grand mother Lois Lumbra and Aunt Penny, a friend Joanne, Uncle Tyler Elkins and his son Xavier from Mass. We all enjoyed hamburgers and hot dogs cooked on the grill by Penny, delicious salads by Veronica, Heidi and Joanne. Veronica gave a small speech and ended it by all of us singing Happy Birthday to Jayden which was August 19. Then there were others that had a Birthday or were having one soon. Later as the afternoon quieted down and actually the breeze was much to cool, we were thinking of coming home, BUT I had a surprise waiting in the truck for Veronica And Andre..I had a Barn Quilt that V. Just admired. I had purchased one with the red cardinal on it..Veronica said after her Father passed away a cardinal came to her home, she had her Dad near by. When she noticed the Quilt, she was so excited to have one, she was in tears of joy. Veronica used to babysit Mike and Maggie's 2 Children. It was truly a wonderful gathering and very enjoyable..even the rain . Going to Lake Eden there were no ducks visible UNTIL it was about time to leave,,they showed up.

I am cutting my news shorter, just do not have the time..as my readers are already looking forward to this weeks. Our Sunday Service was completed by John Gorton entitled his sermon "God Knows Our Names." Merle and Linda Van Gieson printed out the Bulletins and hand delivered to all ot Church. Communion was served by Merle and Lois, music played by Patrick Evans.
