3. Basement policy, we went over a draft proposal. A few changes were made to language. Tosca will do the final draft and present at our next meeting.

5. Winter project update, Abe will get snow guards in before snow flies, Kari and Dave will have a few items added to their list and will hopefully start working on these items soon. Shades for windows were discussed again. We will keep looking. Tara will purchase covers for cords that run on floors for events.
6. We met with Brad Elliot concerning Montgomery Smiles and the future of a skate park in Montgomery. The Committee discussed the idea of forming a subcommittee to bring this group under the Town's umbrella. We will discuss it again at next month's meeting after we have had time to think about this.
