

## **LOIS WITH THE MONTGOMERY NEWS, SEPTEMBER 14, 2025**

9/9..The 500 Card cub met at the Montgomery United Methodist Church, hosted by Kathy Ross who has accepted to take the place of Linda Van Gieson. The ladies all enjoyed coming and loved having so much space and the sun shine coming in the windows. High score was won by Brent Godin he was a sub for Nancy Martinson; second high was Sue Peters, low was Stacy Gregoire; most horses, a tie between Denise Baker and Anita Woodward..Anita won by high card draw. Kathy had prepared lots of nourishing snacks and drinks, everyone could help themselves during afternoon. Everyone had an enjoyable afternoon and Thanked Lois for opening the Church and had it nice and warm.(almost to warm for a few, as it was our first cold morning and everyone was dressed to be warm).

9/11...Lise Gates had prepared the September Monthly Dinner for a large crowd of hungry people that came to enjoy a Chicken N Biscuit Dinner with salads and Brownies for dessert. AS always the Country Music is very enjoyable and for me it brings back so many memories of my younger years, as the music was what was played at Hillside to dance by, can't replace those old Country songs..

Theresa Begnoche picked up Connie McFarland and me, to bring us along for the dinner. My nieces enjoyed coming to the July dinner and made reservations to come in September, Barbara Corse Tremblay, sisters Marlene and Patricia, and Melissa Corse Tice were present. Thanks to Melissa she likes to bring a snack to share with us. I took along a few things to share with the girls, let them pick out what they wanted and then put the remaining things on the Tea-Cup table to raffle off; Marlene did the same. It makes a good time for us to come together..Patricia said she will be heading to Florida, and would not be joining us in October, for our Harvest Dinner. I wish her well and have a

good Winter in Florida, with  .

9/13..It was a busy busy day, had a Cemetery burial and I needed some information for my Record Book, and our new Cemetery Commissioner Tim Murphy accompanied me. after I came down from the Cemetery Sue Peters and I had planned to attend the Hyde Park Special Event..the whole community prepares to have like a flea market, everyone comes with their items, new or used to sell. When we got there the roads were closed off, as Veronica had invited us to come to her table at the Governor's House. But as we headed in that direction a Parade was coming down the street, High School Band was playing, floats, Fire & Rescue truck, many tractors that were still in use, just a wonderful parade was enjoyed by my dear Friend Sue. When that was over we found Veronica and her Friend Joanne. Veronica had her beautiful paintings and tatted Jewelry, cards all on display, and Sue fell in LOVE with her painting of flowers.

Once we were on our way to find something to eat, we went to the Charlemont in Morrisville, filled up and then headed for home. Leaving Morrisville, Sue took a ride up the Centerville Road that comes out in No.Hyde Park..it was a beautiful ride over through there, lots of farming going on with

nice Jersey cows that caught my eye out in the fields, as we always had jerseys..on the farm where i grew up in Fletcher and married into the Lumbra's who had jerseys on their farm.

It's Sunday 9/14, It rained in the night time, all rain is beneficial these days. John Gorton came to officiate his Sermon entitled "Our Hope is in The Lord." John was feeling better today but still had a little sniffle hanging on. I had a nice talk with our organist after the service..I am always impressed with our hymns and all the notes, like Patrick told me it's just what you are taught and he has played

for MANY YEARS. Started at the age of 8.  . God Bless..Our Faithful Servants!!!
