

LOIS WITH THE MONTGOMERY NEWS, NOV. 2, 2025

A new month has sprung on us, they come and go by so fast, plus we lose an hour of sleep. Halloween was a cold wet evening for the children, but they did not seem to mind. Penny and I enjoyed the many cute costumes they wore. The little chicken was our favorite and the rooster, but all 115 kids we had come were all thankful and wished us a Happy Halloween.

Tuesday, 10/28 was my actual birthday, by then I had had a wonderful time of celebrating with my family, I went with Sue Peters to Burlington, we were back by 1 pm. I had 10 messages to reply to, wishing me a Happy Birthday and I talked with all before going to sleep, I can honestly say I have been blessed with lots of LOVE. It was a beautiful sunny day, to be out to do what ever was pleasing,

On Wednesday, Sue P picked me up to go to, the Bowling Alley, we both were picked up in the Center by Elsie Saborowski as she was driving, then we went on the Regan Rd. To pick up Patty P then we were off to Lowell. Once we were there to play, we did not have another team of three to play along side of us. All three players were absent. So for me to keep score was much easier, it's fun for me to watch my friends.

Thursday, was our Quilting Circle meeting and we go up to Sue Peters home, I was picked up by Sue Cherrier, as was Therese Begnoche and her daughter-in-law April. Several of us take our lunch and enjoy eating, as we greet one another and chat, before we head down to the sewing room. Once down to the sewing room, we begin with ShowNtell. Once that is done, the ladies are ready to start sewing their pieces of material, as today they want to put an outside binder on the quilt they have started. This is where the pressing starts, Lois and Debbie get the flat irons heated up and plenty of steam to do a nice job of pressing the seams down.

Our news and pictures are done each month by our own Patty Martello, she has her camera ready to take pictures of each presentation, then she writes up her story and sends to each of us. There will be no November meeting as so many people are away. The plans are to have our December gathering at Bernie's on Thursday the 4th, for an early Holiday Luncheon.o

Saturday, Veronica and her daughter Samantha had planned to come over, as Veronica had business to attend, but called earlier in the forenoon, as she wanted to go out for lunch at Bernie's. That was a nice change and a lovely lunch was enjoyed. Veronica came here for a few hours to work on my iPad, changing things from the iPad to my new computer, that Penny wanted me to have. Penny has done a lot also..there is just so many little questions to be answered along the way. Just have to be patient..

It's Sunday, a very crisp cool day...brrrrrr! John Gorton prepared our Church Service and came to officiate, entitled his sermon "Enjoy The Journey." Merle and Lois served Communion. Sandy Bowman is doing well, as she had her knee operation on Oct. 24. Her daughter Jill has been here helping her out. Kathy King

Mentioned during our joys and concerns her brother Gerald Jewett jr, is back in the hospital as he needed medical attention. He recently had a very serious operation on the vein in his leg. We hope and pray that he will soon be better.

Happy Birthday to: Morgan East 11/11; Sue Wilson 11/12; Charlotte Mercy, Patrick Evans 11/13; Roger Chauvin, Maddy St Onge 11/15.

Belated Halloween Jokes...1. What do you call a witch's garage? A broom closet!

1. What's a vampire's favorite fruit? A neck-tarine! 3. What do you get when you cross. A vampire with a snowman? Frostbite!

This is all for this time folks, have a good week, if you are a hunter, be careful, keep safe. This is our first day of losing an hour of day light. I have not noticed any difference yet..but will soon, as it will be dark earlier.. Love to all!
