

Meeting of the Montgomery Recreation Board
Minutes for July 6, 2026

The meeting, which was held at the Rec Center, was called to order at 5:30

Present: Peg Doheny, Marsha Phillips, Lisa Perry

Guests: Zack Herringshaw, Renee Davidson

Skate Park: Zack Herringshaw attended the meeting, representing the skate park committee. He posed questions about insurance, fund raising, and grant writing. Peg will help connect him to the town office for more information.

Day Camp: The LEAPS program summer camp is going well and will continue through the rest of July. Daily attendance is higher than last year, with about 50 campers per day at the Rec Center.

Fields/Grounds: The field at the Rec Center still needs work. There was discussion about the timing of work, with soccer camp coming up next month and then school soccer after that. The playground area needs mulch as well as rubber mats under the swings. Peg will order both for next month and a work day will be chosen. Still waiting on the placement of large rocks and gates at each of the field entry points at the Rec Center.

July 4th: The parade, band and kids activities all went very well. Thanks to all that helped organize this community event!

Summer Sessions: Concerts are going well and are well-attended.

The meeting was adjourned at 6:40
