

LOIS WITH THE MONTGOMERYNEWS, AUGUST 23, 2026

On August 13, there was a special evening planned at the Montgomery Elementary School, for the Community Members, entitled "Join Us For A Spaced-Inspired Evening.". Volunteers were needed to help for an exciting evening featuring, Montshire Museum, Science Demos, 3D painting, Face Painting and Snacks. New Principal Robert Gervais, wants to Build Community, Spark Curiosity, Reach for the Stars. It was an enjoyable evening, Thanks to all that volunteered to help.

August 20, 5-6 p.m. Ice Cream Social Open House held at the Montgomery Elementary School for the Children to come and meet their Teacher and visit their classroom. Mark Brouillette brought the Kindergarten children home on the bus at 5:30 p.m. It was again..a lovely evening.

On August 15, I called the Montgomery Village Cemetery Commissioners to let them know I have a Special Meeting planned for August 25 at 4 p.m. to be held at the United Methodist Church. Any person interested is welcome to attend.

I called Maggie Elkins for News and she told me that she and her Sister Susie Ewins went to St. Albans this week and had some extra time on their hands and used this time to go and visit Pat Carpenter. What a wonderful surprise for them to find her doing well, Pat now has a room mate and they are both crafty ladies, likes to knit and crochet, makes time easier for both ladies. Maggie said I noticed her pile of Birthday cards she received for her 89th Birthday in July. That was a wonderful day of celebrating, the cards kept coming after the 13th had passed. Also. This week I had a call from Prudy Ryea asking me if I knew how Pat was, I said up to date I have her phone number , would you like to call her. She took her number and later, I called Prudy to see if she had called Pat, and she said Yes, she was so pleased to hear from me and we had a nice long phone visit. It was wonderful, Thanks Lois for sharing her number with me. That's great News!!1

August 18, Elsie Saborowski came to pick me up to go to the Bowling Alley, Carol Farmer was driving today, and we were off to Bowl and have Pot-Luck, after having one complete game. The Turkeys had the pleasure of playing today with the Road Runners. A young Turkey was in the road on our way to Lowell, and Carol noticed her and slowed right down as she had two little ones with her.

In the absence of Sue Peters she had a Friend Mike play for her. Once we started playing, Elsie did not continue to play as the pain she felt in her hip, might be irritated by playing. The fellows were humorous as usual, who was going to clean the gutter, there were a few balls getting in the gutter but no pins were there to be knocked down. Once all the players were done for the day, the Summer Awards were given out, The Turkeys were number one high players, I did not get the other ones, but everyone seemed very pleased with their winnings. The Fall Games will start on September 9 on Wednesdays again.

Sunday August 23, I wake up to a lovely morning no rain yet at 4 p.m. My cat seems to know the time and wanted out also. He's my Boy!! When I just came home from Church He greets me with his welcoming Meow and brushes up against me. Our Church Service was completed by John Gorton, bringing us News that Linda Van Gieson was not feeling well and was going to the hospital. Once home I had a message from Merle saying he was at the hospital with Linda and she has pneumonia and a heart problem.(?).

Details later..We will all Pray for her well-being. Lynda Cluba came with Sandy Bowman to Church today and that was amazing, as she has done well recuperating from her icy Fall, and rode up into the sanctuary on our Chair Lift, that has come in handy for a few of us folks. Pauline Domina had recently taken a trip to Tennessee and had some beautiful pictures she had taken of The Parthenon there in Nashville. The Parthenon is the world's only full-scale exact-size replica of the original temple in Athens, Greece. It is the Center Piece of Centennial Park in Nashville Central Park; Now functions as an Art Museum. Thanks for sharing Pauline.

We had a couple visiting from Crawford,Texas join us for our Church service, and Richard & Diane McAllister's daughter Heather came with them. John and Sharon Youland stopped into join our Service as well. John Gorton came to officiate our service, said he was feeling much better and has lost some weight, he is at the size of his High School years. His sermon was entitled "Powerful Biblical Leaders". It was a very nice Service and the Hymns we sang were beautifully played, by Patrick Evans.
